# A LETTER FROM DR. COLETTE PIERCE BURNETTE

**CEO, Waterloo Greenway Conservancy**

Dear Friends,

What a remarkable year 2025 has been for Waterloo Greenway! I'm filled with gratitude for this vibrant community and the incredible team that makes our green oasis possible in downtown Austin.

This past year, we saw Waterloo Park come alive as a gathering place for all. Families explored nature together, fitness enthusiasts found their rhythm, over 6,000 community members joined us for Día de los Muertos, and national touring concerts brought music and joy to Moody Amphitheater.

None of this would be possible without you – our donors, volunteers, partners, and park visitors. Everyone who celebrated with us at Pop-Up Picnic in April and the supporters who helped us raise \$1.57 million at our annual Glow in the Park in October. Volunteers who helped steward our natural spaces and others who became citizen scientists during our monarch butterfly tagging project. Our Park Ambassadors who welcome park visitors every day. And our generous community-minded sponsors who help make our community programming free and open to all of Austin.

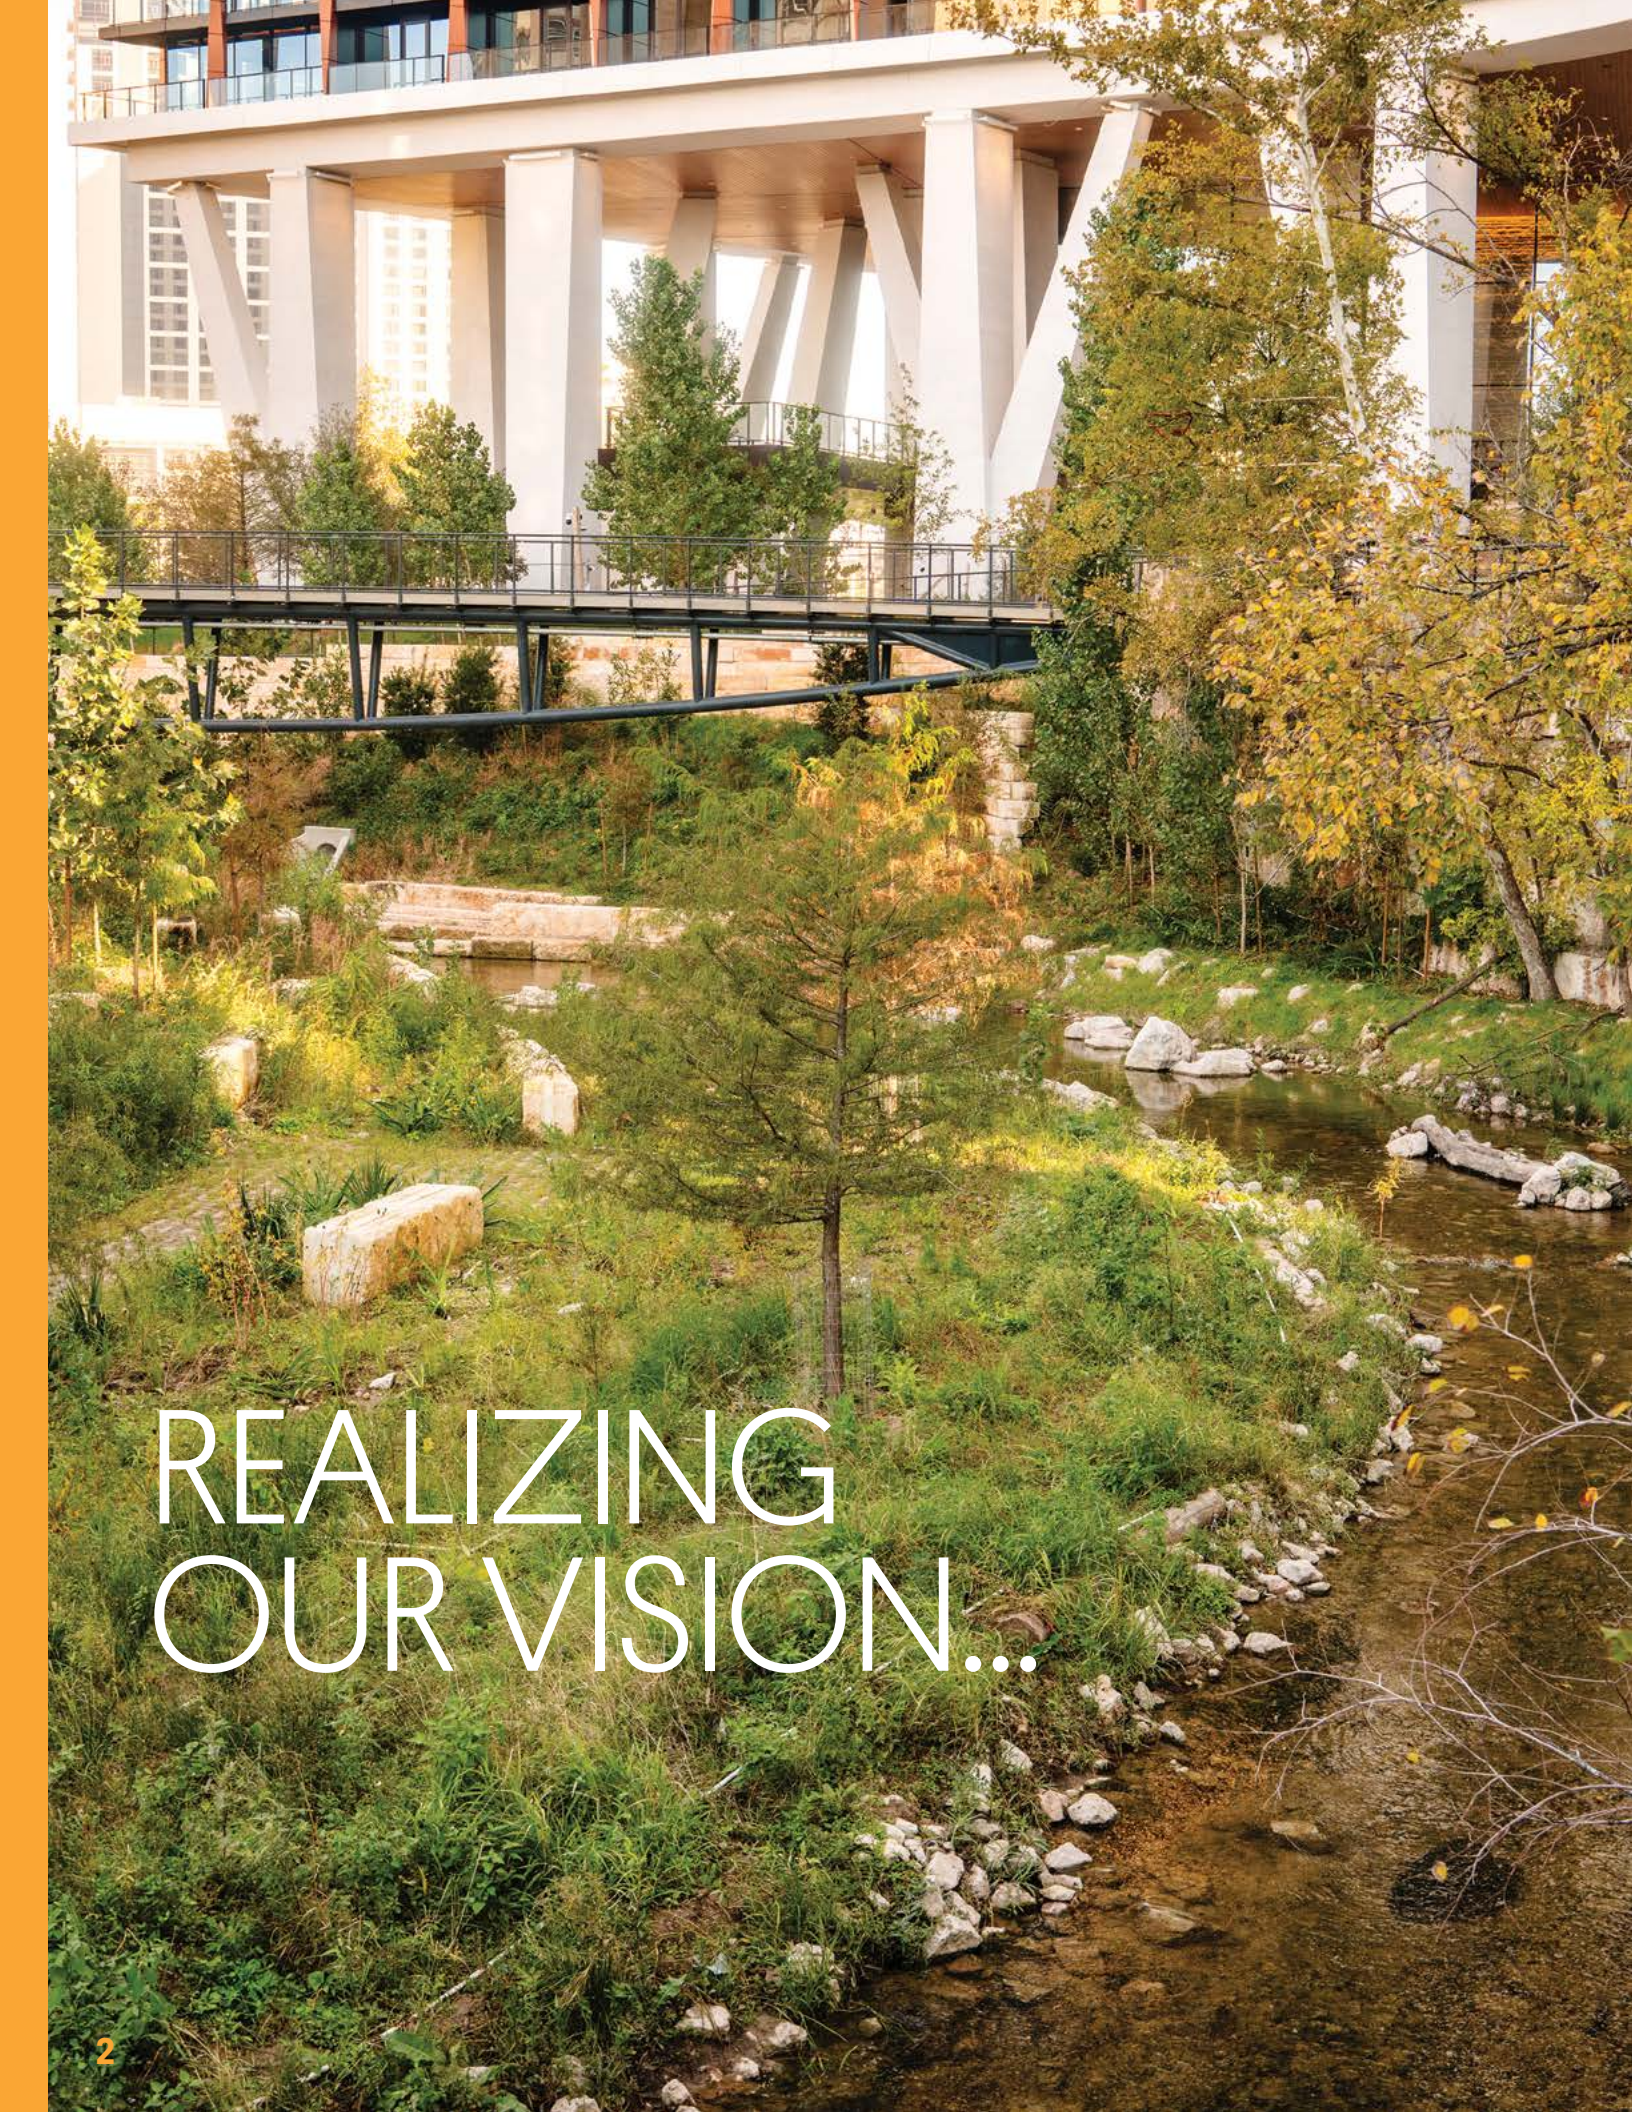

You ALL are the heartbeat of Waterloo Greenway.

As we make our way into 2026, I'm thrilled about what's coming. On June 6, Phase II: The Confluence will open, adding 14 acres to our urban park system and expanding our ability to serve this community. We'll continue our mission to create extraordinary public spaces that promote health, wellness, connection, and joy for all Austinites. And together, we will reclaim these amazing gathering spaces along Waller Creek.

Thank you for believing in the power of parks to transform lives and build community. I can't wait to see you at Waterloo Park – and soon, at The Confluence!

With gratitude and excitement,

*Colette Pierce Burnette*

REALIZING  
OUR VISION...

**Waterloo Greenway Phase II: The Confluence will open to the public on June 6, 2026!  
The project is a public-private partnership between Waterloo Greenway Conservancy  
and the City of Austin, with design by Michael Van Valkenburgh Associates and  
construction by Jay-Reese Contractors.**

At the heart of the project is the restoration of Waller Creek, trail construction, native landscapes, and new public gathering spaces. Phase II will connect multiple popular destinations in downtown, allowing visitors to travel along Waller Creek and away from busy streets and intersections.

As we approach one of our biggest milestones yet with the opening of Phase II: The Confluence, we thank everyone who has helped fund the design and construction thus far, including leadership gifts from the Canfield Family Foundation, Tejemos Foundation, Transwestern, Sugar Creek Foundation, Colin Corgan, Susan and Gary

Farmer, the Fondren Foundation, the Hartman Family, Still Water Foundation, Carmel and Tom Borders, and Buena Vista Foundation.

Waterloo Greenway represents a major community effort and commitment. Our shared vision and civic leadership ensures that this legacy project will be enjoyed and embraced by generations to come. As part of our partnership with the City of Austin, Waterloo Greenway is responsible for raising \$35 million in private philanthropic donations for Phase II of Waterloo Greenway which includes the Confluence and Palm Park. To date, we've raised \$27 million with \$8 million left to raise for Phase II by 2028.

## 2025 Project Milestones

Throughout 2025, design and construction of Waterloo Greenway progressed as scheduled.

In January, The Hartman Bridge opened to the public, marking a significant milestone in the development of Phase II, as well as the urban landscape of downtown Austin. The new pedestrian bridge improves the trail experience and advances the vision of a safe, accessible, vibrant, and nature-infused downtown.

Major Phase II accomplishments throughout the year include installing lighting throughout the project, planting large trees extensively, building the creek bed south of 3rd Street, installing permeable pavement, and completing the Leaf Deck and Outdoor Classroom.

On October 24, 2025, the Biofiltration Pond was completed with support from the U.S. Army Corps of Engineers. The pond improves water quality, removes debris, and creates a more resilient ecosystem along Waller Creek.

Concept design kicked off for Phase III: 4th - 12th Streets, focusing on Waller Creek restoration and an accessible trail linking Waterloo Park with the Confluence.

Additionally, construction began on Symphony Square plumbing upgrades and is expected to be completed in Spring 2026.

## Lead Support for Phase II Capital Campaign

# 2025 RECOGNITION

**Environmental Champion Award** from the Austin Chamber of Commerce

American Society of Landscape Architects **Honor Award in General Design**, awarded to Michael Van Valkenburgh Associates for Waterloo Park

10 Best Readers' Choice Award for **Best Amphitheater in the U.S.** from USA Today

TreeFolks **2025 Austin Tree of the Year Award** in the Story Tree category, awarded to a Live Oak tree on the Meredith Heritage Tree Deck at Waterloo Park

## Texas Travel Award for Revitalization

Austin Parks and Recreation Department **Community PARKnerships Certificate of Appreciation** awarded to Waterloo Greenway Park Operations team and Park Ambassadors

Waterloo Greenway Conservancy CEO Dr. Colette Pierce Burnette received the Austin Business Journal's **Women in Business Award**

Dr. Colette Pierce Burnette was honored as a **2025 Visionary Community Leader** by Junior Achievement of Central Texas

## KEEPING THE PARK THRIVING

**With 11 acres to explore, Waterloo Park offers plenty of space for quiet reflection, energizing activity, wildlife sightings, and adventurous meandering.**

### Wildlife Connections

In 2025 we continued watching Mexican Free-Tailed Bats fly from Waller Creek. Travis Audubon conducted quarterly bird surveys and hosted park bird walks. Each fall, volunteers tag monarch butterflies for migration research through Monarch Watch – last year we tagged 175!

### Park Ambassadors

Thanks to our partnership with the Downtown Austin Alliance, Waterloo Park Ambassadors help keep the park clean and safe, making Waterloo Greenway and all of downtown a welcoming space for all!

### Tree & Lawn Maintenance

Waterloo Greenway staff, Parks & Recreation Forestry, and Clean Scapes Certified Arborists coordinate regular tree care and pruning. Organic lawn care each winter improves drainage and replenishes nutrients after the busy programming and concert season.

### Park Volunteer Opportunities

Volunteer support keeps the park thriving. Each winter, volunteers prepare for spring by cutting back groundcovers, shrubs, and grasses. In 2025, we partnered with the Texas Master Naturalist Program and the Capital Area chapter to help steward the city's natural resources.

# A PARK FOR ALL

We serve the community by providing fun, family-friendly programming geared toward all ages and abilities. In partnership with local artists, businesses, and nonprofits, these events are opportunities for the community to gather and engage with one another while surrounded by nature at Waterloo Park. Additional community gatherings at the park were hosted by local organizations, including Urban Music & Cultural Fest, Sunday Sessions, and The Front Market presented by Future Front Texas.

## Waterloo Wellness

SPRING & FALL

Waterloo Greenway's healthy living series featured fitness, dance, and yoga classes that energized park visitors while providing a unique opportunity to be active, out in nature, and with like-minded community members.

- Yoga & Sound sessions with Castle Hill Fitness
- Stay Strong fitness classes with Aging is Cool
- Two-Step Night lessons and dance parties with Native Texan Two-Step

## Morning Glories & Wild Waterloo

SPRING, SUMMER, & FALL

Some of the park's brightest moments take place during our children's education programs! There's always music and dancing for our little park visitors, as well as reading, exploring, and learning about native Texas flora and fauna.

Partners include Families in Nature, Mad Science, Monarch Sanctuary Project, Armstrong Community Music School, Emma S. Barrientos Mexican American Cultural Center, Austin Public Library, Girl Start, Austin Youth River Watch, Travis Audubon, and Capital Area Master Naturalists.

## Día De Los Muertos

This beloved annual event transformed Moody Amphitheater at Waterloo Park into a community altar with vibrant flowers and offerings for departed loved ones. Over 6,000 guests enjoyed the Mercado y Más artisan market, plus music and dance performances that inspired reflection and celebration.

## Past Deposits From A Future Yet To Come

This intriguing video art installation by Teresa Hubbard and Alexander Birchler is projected on the Moody Amphitheater stage, featuring historic artifacts that reflect the lives of the people who once lived along Waller Creek. Viewers are invited onstage to interact with images that float, tumble, and travel across space. Open to the public and free to view through March 2029.

Want to help bring vibrant programming to downtown's green oasis? When Phase II opens, Waterloo Greenway will grow by 14 acres and community programming will expand as well!

Contact [development@waterloogreenway.org](mailto:development@waterloogreenway.org) to learn more about sponsorship opportunities.

# MOODY AMPHITHEATER

**In 2025, Waterloo Greenway hosted 32 national touring shows, in collaboration with C3 Presents and Live Nation. A portion of every ticket purchase and concession sales support Waterloo Greenway's park operations and community programming.**

**As part of our commitment to making the arts and outdoor space accessible to all, 100 free tickets to every concert are available to the community through an online giveaway system. This program is made possible through a unique partnership between Waterloo Greenway, C3 Presents, and Live Nation.**

## **SXSW 2025**

Billboard presented their fourth annual THE STAGE at SXSW, with a portion of proceeds supporting Waterloo Greenway, for three nights of live music featuring Koe Wetzel, Grupo Frontera, and John Summit.

## **Austin Blues Fest**

Antone's and Waterloo Greenway presented the third annual Austin Blues Festival at Moody Amphitheater at Waterloo Park on April 26-27, 2025, featuring performances by Mavis Staples, Jackie Venson, Lee Fields, Monsieur Periné, North Mississippi All-Stars, and many more!

For more information about the 2026 Austin Blues Festival, visit [austinbluesfestival.com](https://austinbluesfestival.com)

## **Premium Seat Program**

Concert-goers experienced the luxury of Premium Seats, enjoying exclusive entry at the VIP terrace, access to our indoor and outdoor premium lounge spaces, dedicated bars, and private restrooms.

For more information, visit [moodyamphitheater.com/premium](https://moodyamphitheater.com/premium)

# POP-UP PICNIC

APRIL 5, 2025

**Moody Amphitheater was abuzz with oohs and aahs as everyone unpacked mouth-watering spreads curated by twenty Austin restaurants.**

**Picnic baskets purchased ahead of time offered up a wide variety of choices including pizza, BBQ, seafood, salads, fried chicken, and you-name-it! The enjoyment of the food was elevated by the feel-good surroundings – laughter, connection, playfulness, music, and joy!**

Over 1,000 people gathered to set up picnic spreads and enjoy connecting with community at this beloved event on the lawn at Waterloo Park. Despite a surprisingly chilly forecast, picnic-goers of all ages bundled up, packed their picnic blankets, and made their way to this beautiful natural space where spring is in bloom.

Pop-Up Picnic undoubtedly makes a huge impact, supporting Waterloo Greenway's efforts to build, maintain, and activate Waterloo Park while the project grows with construction underway of Phase II, just north of Lady Bird Lake. Waterloo Greenway will span 1.5 miles along Waller Creek, providing beautiful greenspace and new paths of connectivity across downtown Austin.

**Pop-Up Picnic will return on April 18, 2026. For information about 2026 baskets and sponsorships, visit [waterlogreenway.org/picnic](http://waterlogreenway.org/picnic)**

# GLOW IN THE PARK

THURSDAY, OCTOBER 2, 2025

**We are still glowing from the excitement of Glow in the Park, Waterloo Greenway's annual gala fundraiser and community celebration. What a truly remarkable evening! On Thursday, October 2, 2025, 700 Austinites gathered at Waterloo Park for an evening filled with delicious food by MML Hospitality, a lively auction, soulful sounds from Lamont Landers, and an incredible sense of camaraderie that reminded us all why place matters.**

More than just a beautiful night out, the event raised \$1.57 million! These critical funds will keep Waterloo Greenway growing and thriving, supporting operations and maintenance of Waterloo Park, beloved community programs, and the future operations of Phase II, set to open in June 2026.

The incredible generosity and dedication of so many individuals makes this event possible – sponsors, chairs, host committee members, table hosts, and ticket purchasers. An extra heartfelt thank you goes to our chairs – Lynn and Tom Meredith and their family. The Meredith family's longtime commitment to this bold vision for Austin is inspiring!

Glow in the Park will return on October 8, 2026. For information about 2026 tables and sponsorships, visit [waterlogreenway.org/glow](http://waterlogreenway.org/glow)

**Thank you to all of our generous 2025 donors who helped us build, operate, and activate Waterloo Greenway, bringing us closer to our vision of creating a central gathering place for all of Austin.**

**Waterloo Greenway Conservancy relies on community support to build, operate, and activate the greenway. Please join us and donate today at [waterlogreenway.org/support](https://waterlogreenway.org/support)**

# waterloo greenway

## Our Mission

Waterloo Greenway Conservancy creates and maintains an extraordinary urban park system and a restored Waller Creek, in partnership with the City of Austin, for the benefit of all. The Conservancy renews the natural environment, promotes play, health and wellness, economic vitality and mobility, and engages the community through outreach, education, cultural events, and the arts.

## Our Commitment to Equity

Waterloo Greenway, as the steward of a vibrant urban park, embraces the transformative power of public spaces to build communities and ecosystems, amplify culture, and enhance health and well-being. As the stewards behind Waterloo Greenway, we boldly commit to building equity through thoughtful design, innovative programming, and uplifting community initiatives, honoring the space's history and forging an inclusive park for Austin's diverse communities now and in the future.

## Land Acknowledgement

At different times throughout its history, this land was known by different names and occupied by various Indigenous Peoples for over 15,000 years, including but not limited to the Coahuiltecan, Lipan Apache, Tonkawa, and Comanche Tribes. This acknowledgement does not take the place of authentic relationships with Indigenous communities but serves as a first step in honoring the land we stand on and resisting the erasure of Indigenous past, present, and future.
